Internal Moderation & Compliance Framework

This framework outlines how Intoogo maintains legal compliance and community integrity.

1. Content Moderation

Intoogo uses:

- Automated detection systems
- Manual content review
- Community reporting tools

Content violating policies may be:

- Removed
- Restricted
- Flagged for investigation

2. Compliance Oversight

Intoogo monitors:

- Age verification compliance
- Financial transaction compliance
- Anti-fraud measures
- Illegal activity indicators

3. Reporting Mechanism

Users and creators may report:

-
- Abuse
 - Illegal content
 - Copyright violations
 - Fraud

Reports are reviewed confidentially.

4. Escalation Protocol

For severe violations:

- Immediate suspension
 - Evidence preservation
 - Referral to law enforcement where required
-

5. Payment Compliance

To maintain payment processor approval, Intoogo enforces:

- Strict 18+ policy
 - Anti-exploitation standards
 - No tolerance for prohibited content
 - Commission transparency
-

6. Platform Integrity Commitment

Intoogo balances:

- Freedom of expression
- Legal responsibility
- Financial transparency
- User and creator protection

Compliance is mandatory for all members.
